Serious Incident Management

A **serious incident** is defined as an incident that may require urgent response or outside support and may or may not impact the ability of GGC to operate. There are two types of serious incidents 1) an **emergency** and 2) a **crisis**.

An **emergency** is a serious incident that falls within the scope of the organization's resources to respond to. It does not threaten GGC's ability to operate. **Emergencies** can involve any of the following:

- A situation which requires assistance from authorities (fire, police, ambulance, etc.)
- Participants who are emotionally and/or psychologically distressed
- Behaviour that severely impacts other people
- Serious illness or injury (threat to life of limb)

A **crisis** is an event that is, or has the potential to be, a turning point in the organization. A crisis may overwhelm the organization's available staff and resources and impact its ability to operate.

Examples of crisis may include:

- A fatality during a GGC activity or at a GGC-owned or operated site
- A multiple injury or illness incident during GGC activity or at GGC-owned or operated site
- Any incident which would have future negligence and/or criminal repercussions
- Any significant vehicle incident-
- A missing girl or adult (who is not located after preliminary search as outlined in Safe Guide)
- An active shooter
- A natural disaster such as a flood, forest fire, earthquake, ice storm, etc.

Communications Plan Guidelines

A Communications Plan is the written set of instructions to follow for contacting emergency agencies, GGC authorities and parents/caregivers in the event of a serious incident and is incorporated into your Emergency and Crisis Response Plan (SG.4). The plan covers a number of functions that need to occur to smoothly manage serious incident communications.

Communication during an Emergency

For most emergency situations, the communications pattern in an emergency would look something like this:

1. The Responsible Guider or Substitute Group Leader contacts:
 - EMS and/or other local authorities, when necessary
 - Group members (to provide reassurance)
 - Home Contact Person (if applicable to your activity)
1. Home Contact Person (where applicable) or Responsible Guider makes initial contact with parent(s)/guardian(s) to provide current status report and next steps.
2. After dealing with immediate needs, Responsible Guider or another group leader may contact parent(s)/guardian(s) personally to discuss further details, answer questions and problem solve where applicable.
3. Once the situation is over the Responsible Guider notifies GGC Authorities as per the Incident Reporting guidelines in Safe Guide (Form: INS.01).

We protect and respect your privacy. Your personal information is used only for the purposes stated on or indicated by the form. For complete details, see our Privacy Statement at www.girlguides.ca or contact your provincial office or the national office for a copy.

Communication during a Crisis

The National Office will manage the communication of a crisis with members, their families and media. Only those individuals authorized to do so will speak publicly or with the media on behalf of the organization.

What to do in a crisis situation:

1. The Responsible Guider or Substitute Group Leader contacts:
 - EMS and/or other local authorities, when necessary
 - Ask for assistance from EMS in contacting parents/guardians of injured member
 - Group members (to provide reassurance)
 - Home Contact Person (if applicable to your activity)
2. Notify the Provincial Commissioner. Check your provincial office or website for the emergency contact number. Or ask your District Commissioner/ACL to help you reach her.
3. Provide the Provincial Commissioner with details of the incident. Use the script with the Emergency and Crisis Response Plan (SG.4) as a guide. She will inform and follow up with the appropriate national contacts.
4. Do not talk to the media.
5. Notify all participants that they must not use cell phones or send electronic messages to friends and family.
6. The appropriate person to contact the parent(s)/guardian(s) and others as necessary will depend on specific circumstances and will be determined at the national level.
7. Any media inquiries received by GGC members must be referred immediately to the national office. An appropriate response to the media would be:

“I’m sorry, our policy is for all media inquiries to go through the national office. Please contact them and the appropriate person will respond to you as soon as they are available. The phone number is (416) 487-5281.”
